

Education

2013	Swinburne University of Technology	Cert. IV in Web-Based Technologies
2007–2011	Mount Lilydale Mercy College	Secondary Education

Experience

2011-Present	Freelance	Web Designer & Developer
Working freelance—and with the assistance of colleagues—I have produced several websites, outlined in the following section.		
2013-2014	Essenza Yarra Valley	Team Member
Working casually in a busy café has allowed me to develop good communication and customer service skills; greatly improving my ability to work in a team.		

Projects

2013	Aim High Corporate Solutions	Design, front-end development, CMS
Marketing website for NLP practitioner Jacqueline Maggs.		
2013	Steven Kennedy	Design, front-end development, CMS
Online identity and portfolio for a Melbournian actor.		
2013	One Quarter Journal	Front-end development, CMS
Online journal of interviews with creative entrepreneurs.		
2013	OMG Sauces	Front-end development, CMS
Marketing website for the launch of OMG Sauces.		
2011	The Goodlife Farm	Design, front-end development, CMS
Built in under 24 hours for a not-for-profit supporting troubled youth.
